

THE LONG ISLANDER

Thursday, April 1, 1954

Frederick J. Trinkle, son of Mr. and Mrs. Fred Trinkle of Norwood Road, Northport, was one of six students at Clarkson College of Technology recently initiated into the Gamma Gamma Chapter of Eta Kappa Nu, electrical engineering honor society. Trinkle is a 1949 graduate of Northport High School and is a junior electrical engineering major. He is a member of the Institute of Radio Engineers; the student chapter of the American Institute of Electrical Engineers; staff member of WNTC, campus radio station and the Math Club.
